Guest Speaker: Tyler Wrightson

Hudson Valley CyberSecurity Consortium Presents: Penetration Testing for the Technical Lay Person

Tyler Wrightson is the author of Advanced Persistent Threat Hacking and Wireless Network Security: A Beginner's Guide. Tyler is the founder and president of Leet Systems, which helps organizations solve the hacker problem, by focusing on technical challenges. He has also taught classes for CCNA certification, wireless security, network security, and penetration testing. He has been a frequent speaker at industry conferences including NYS CyberSecurity Conference, Derbycon, BSides, ISACA, ISSA, and others.
